*The GMAO/SRT
Outstanding
Performance Award*

to

Bo-Wen Shen

For outstanding performance as the NASA FVGCM point of contact for the ALTIX project leading to implementation of the 1/4 degree resolution version of the FVGCM well ahead of schedule, and for ensuring reliable real-time performance of the FVGCM for the entire 2004 hurricane season.

Robert Atlas

Dr. Robert Atlas, Chief Meteorologist
Laboratory for Atmospheres

Robert Rosenberg

Mr. Robert Rosenberg, Program Manager
